SUMMARY

2D Artist and animator with several years of experience using industry software. Looking to work on long-term projects, also dedicated to getting work done for the art/gaming industry. Able to communicate well with others and has a very friendly and positive attitude. Willing to experiment with and learn new software.

WORK EXPERIENCE

Ambassador – Nintendo SF, Nintendo, San Francisco, CA | May 2026 – present

- Helps demonstrate Nintendo products and games to customers with enthusiasm and provide information and personal recommendations.
- Works in sales and operations, maintaining accurate transactions and works with managing inventory and helping merchandise and organize the store.
- Makes a mission to put smiles on the faces of every Nintendo fan, whether casual, hardcore, or new.

Sales Floor Associate, TEKSystems/Nintendo, San Francisco, CA | September 2025 – May 2026

- Provided customer service and assistance in the purchases of Nintendo branded merchandise and products to customers.
- Worked in a fast-paced environment, being able to prioritize, multi-task, and work efficiently with a team.

Services & Engagement, Target, San Mateo, CA | September 2024 – April 2026

- Cooperated and communicated with a team to engage customers satisfying their needs.
- Delivered and engaged with customers on their order pickups.
- Helped communicate with customers and reports to Team Leaders whenever issues arise, or deadlines need to be met.

Instructor, Bay Area Pathways Academy, San Mateo, CA | June 2023 – June 2024

- Taught classes about the introduction of coding, web management, Python, Roblox world creation, and creating music with online software.

Coding/Web Designer, Menlo Studio, Remote, CA | June 2022 – July 2024

- Collaborated with others on designing structure and content on Cañada College webpages.
- Used HTML and CSS to tweak web pages to follow new designs.

Student Assistant, Cañada College, Redwood City, CA | November 2021 – May 2024

- Worked with a group of professors to help assist getting their Zoom conferences established with their students.
- Communicated with students on assistance on how to complete their assignments for their classes with software such as ToonBoom Harmony and Adobe.

EDUCATION

UX/UI Design Certificate

Google/Coursera, Online | November 2022 - December 2023

Completed training modules designed to prepare for entry-level employment. Training courses included: UX design process, building wireframes, low-fidelity, and high-fidelity prototypes, and creating mockups with programs such as Figma and Adobe XD. Created case studies, projects, and a portfolio to complete the certificate.
